## **Common Carrier Bureau Meetings In Chicago And Denver to Address Section 271 Proceedings With State Commissions, Bell Operating Companies, And Other Interested Parties**

Released: September 28, 2000

On September 1, 2000 the Common Carrier Bureau announced plans to conduct a series of regional meetings with State public utility commissioners and their staff to address issues raised in state and federal proceedings reviewing Bell Operating Company applications for authority to provide in-region, interLATA services pursuant to section 271 of the Telecommunications Act of 1996.

This Notice provides updated information regarding the date, time, and location of the regional meetings to be held in October in Chicago and Denver. State commissioners and commission staff from the entire BOC region are invited to attend the meeting held within that region. In addition to meeting with State regulators, the Bureau will conduct two additional, separate sessions, one with competitive carriers and other interested parties, and another with the Bell Operating Companies. Parties requiring further information may contact the appropriate Bureau contact below.
